

Grand Opening Ceremony

08-05-2026 | TMA Automation

Invitation

Dear Sir or Madam,

It is our great pleasure to invite you to the Grand Opening Ceremony of the new headquarters and technology center of TMA Automation in Gdańsk. This is a very special moment for us – a symbol of the next stage of our development and a further step in strengthening our cooperation within the ENGEL Group. The new facility has been designed to enhance project execution, integrate our competencies, and deliver comprehensive solutions to our customers. We would be delighted to celebrate this occasion together with you – our Clients, Partners, and Friends. It will also be an excellent opportunity for inspiring discussions, exchanging experiences, and gaining a closer look at our technological capabilities.

Event program includes:

- 10:30 – guest registration
- 11:00 – official opening
- presentation of the new headquarters and technology center
- guided tour of the production area
- presentation of TMA automation solutions
- meetings and discussions with our team and business partners
- 16:00 – end of the official part
- After 16:00 - afterparty and networking

Location: TMA Automation sp. z o.o., ul. Spadochroniarzy 22; 80-298 Gdańsk; POLAND
